Wedding Information

California Citrus State Historic Park and Chino Hills State Park

Thank you for considering a California State Park for your wedding. The parks offer beautiful natural settings for ceremonies and receptions.

California Citrus State Historic Park has several options for events. If you are interested in renting the Sunkist Building and Courtyard including the gazebo, please contact the Non Profit Management Corporation at 951-509-4500.

To have a wedding event on park grounds, a Special Event Permit must be completed and submitted to the park office along with the review fee of \$25.00.

Ceremonies and/or receptions are welcomed in the parks. However, public access cannot be denied from the area. Alcoholic beverages are allowed with 1) approval of a Special Event Permit and 2) a certificate of insurance. Electricity is not available in most areas and large groups may need to rent additional portable toilets.

Parking is limited at California Citrus State Historic Park to the picnic area which accommodates approximately 65 vehicles. Parking varies at Chino Hills State Park depending on the area desired.

Rented tables and chairs are allowed. Placement must be indicated on a map and attached to the application. All delivery vehicles must remain on designated roads.

Events requesting to start before or end after posted park hours must be pre-approved and park staff will be assigned. The cost of staffing will be calculated at the time of application and paid in advance with all fees.
